Inspectors  
in Design Technology

Conference 2007: "Building the Future"

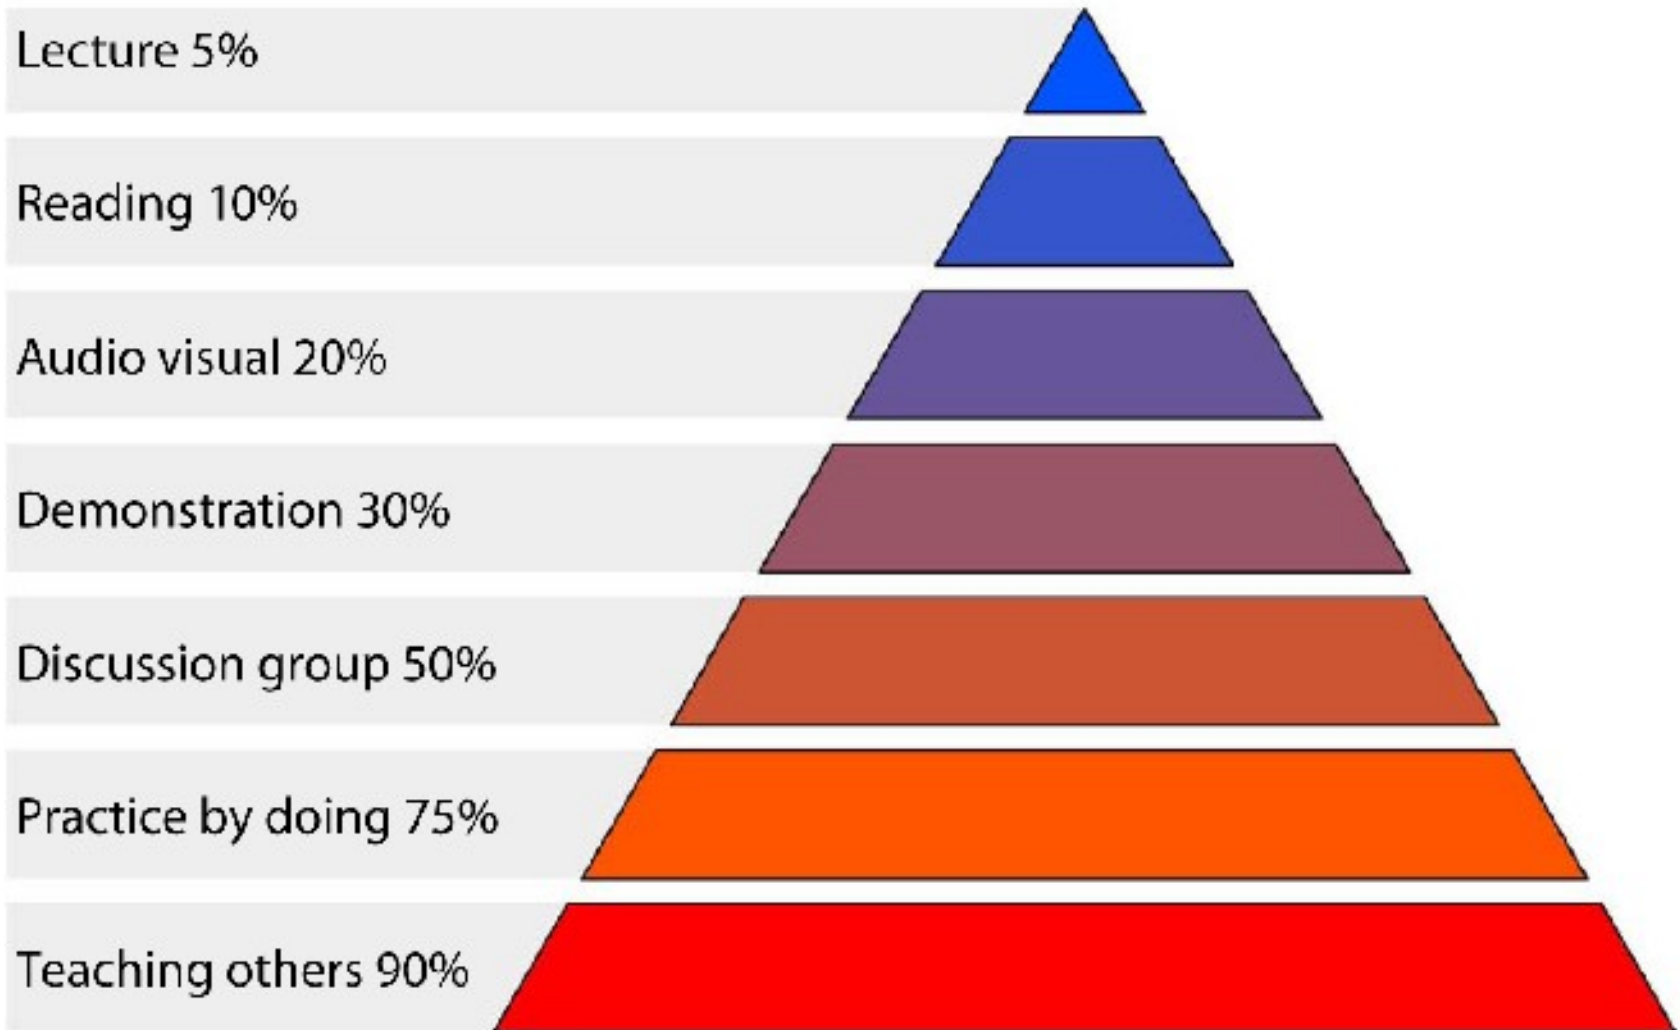

# The Design of Design Technology Suites

## Flexibility

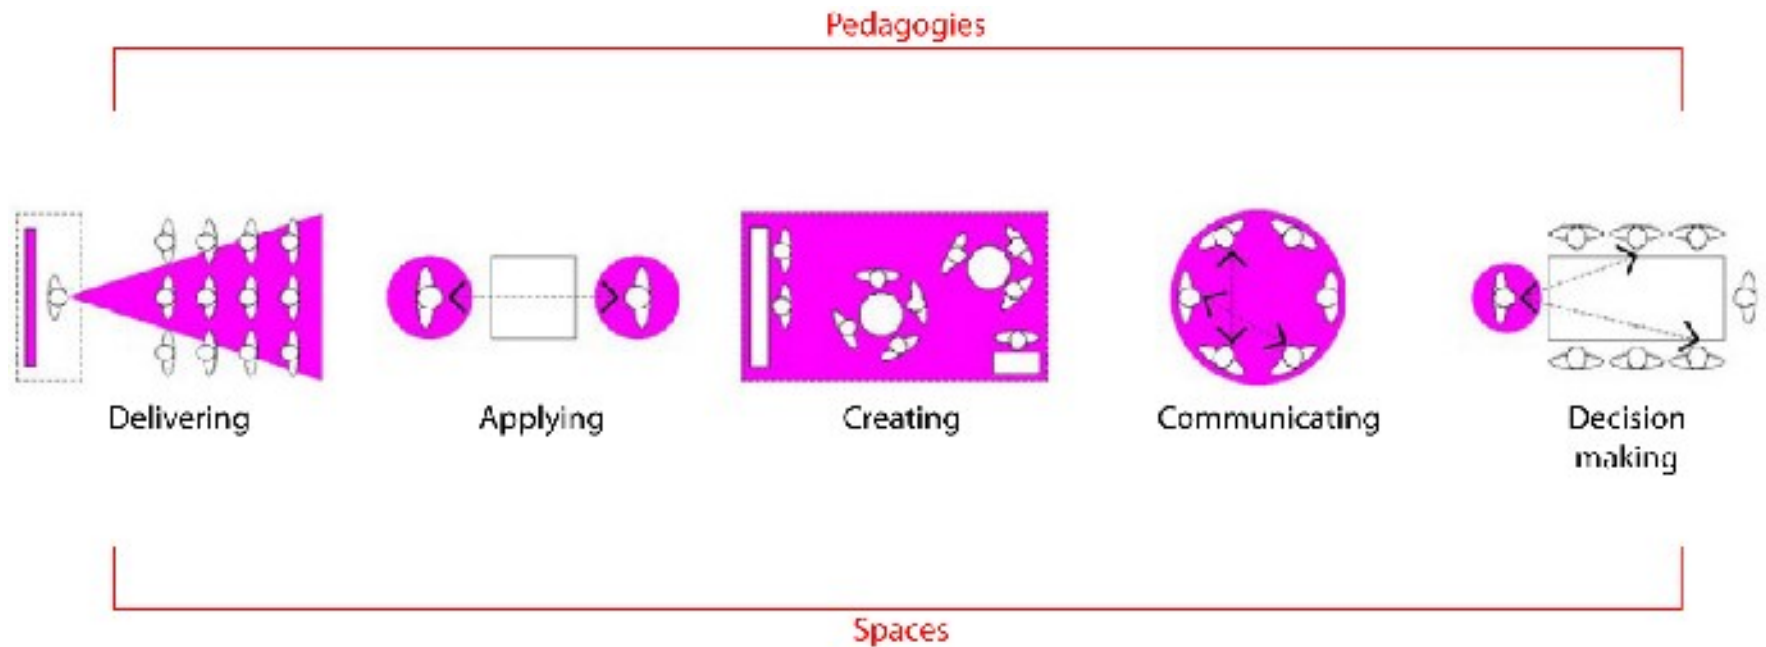

- Short term flexibility
- Long term adaptability

## How we learn

## Average learning retention rates

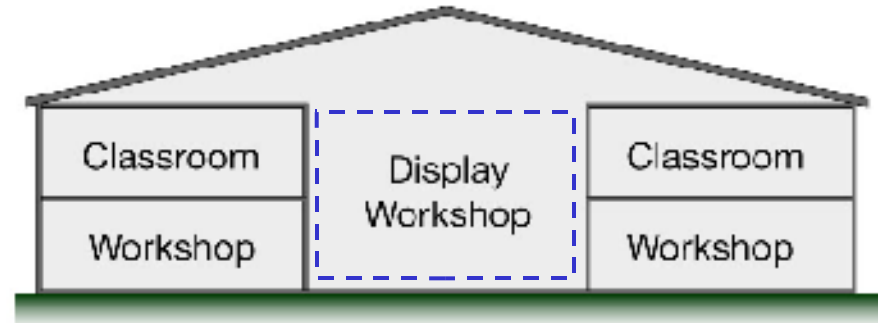

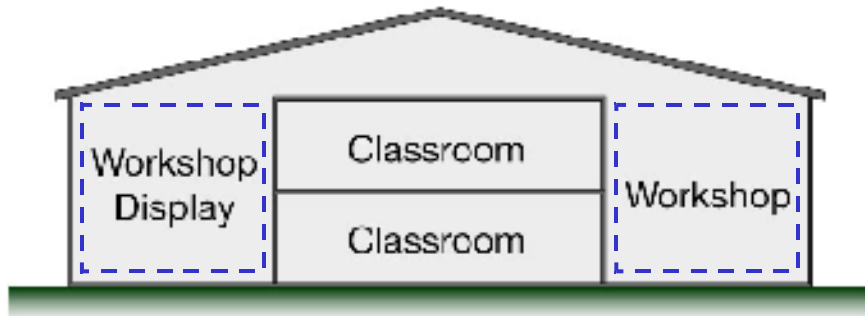

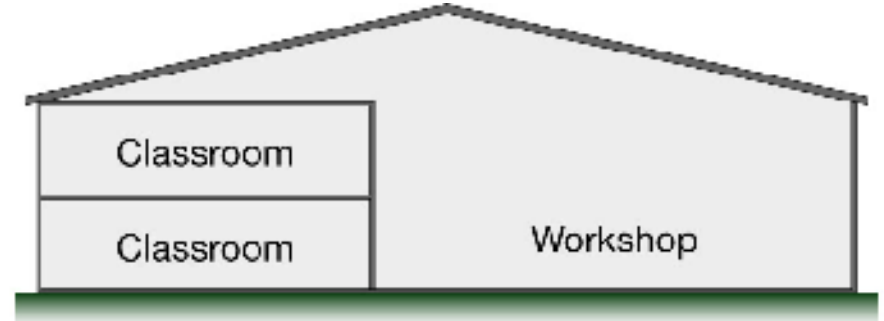

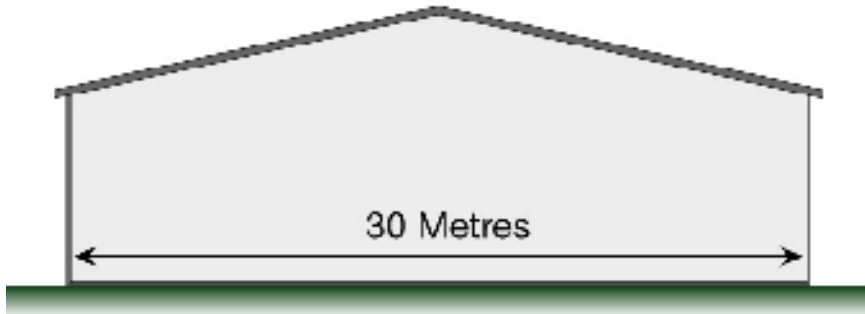

# Linking pedagogy to space

# Design Issues: Physical constraints

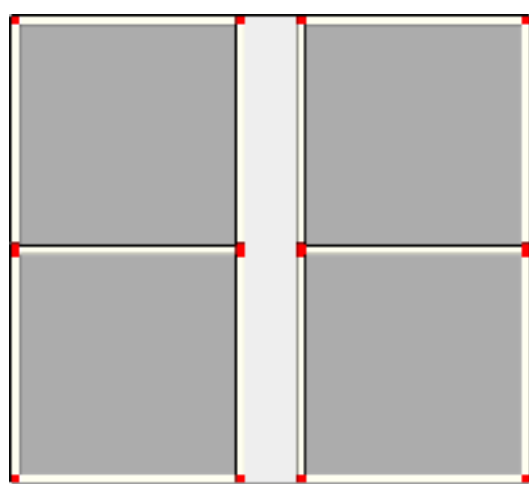

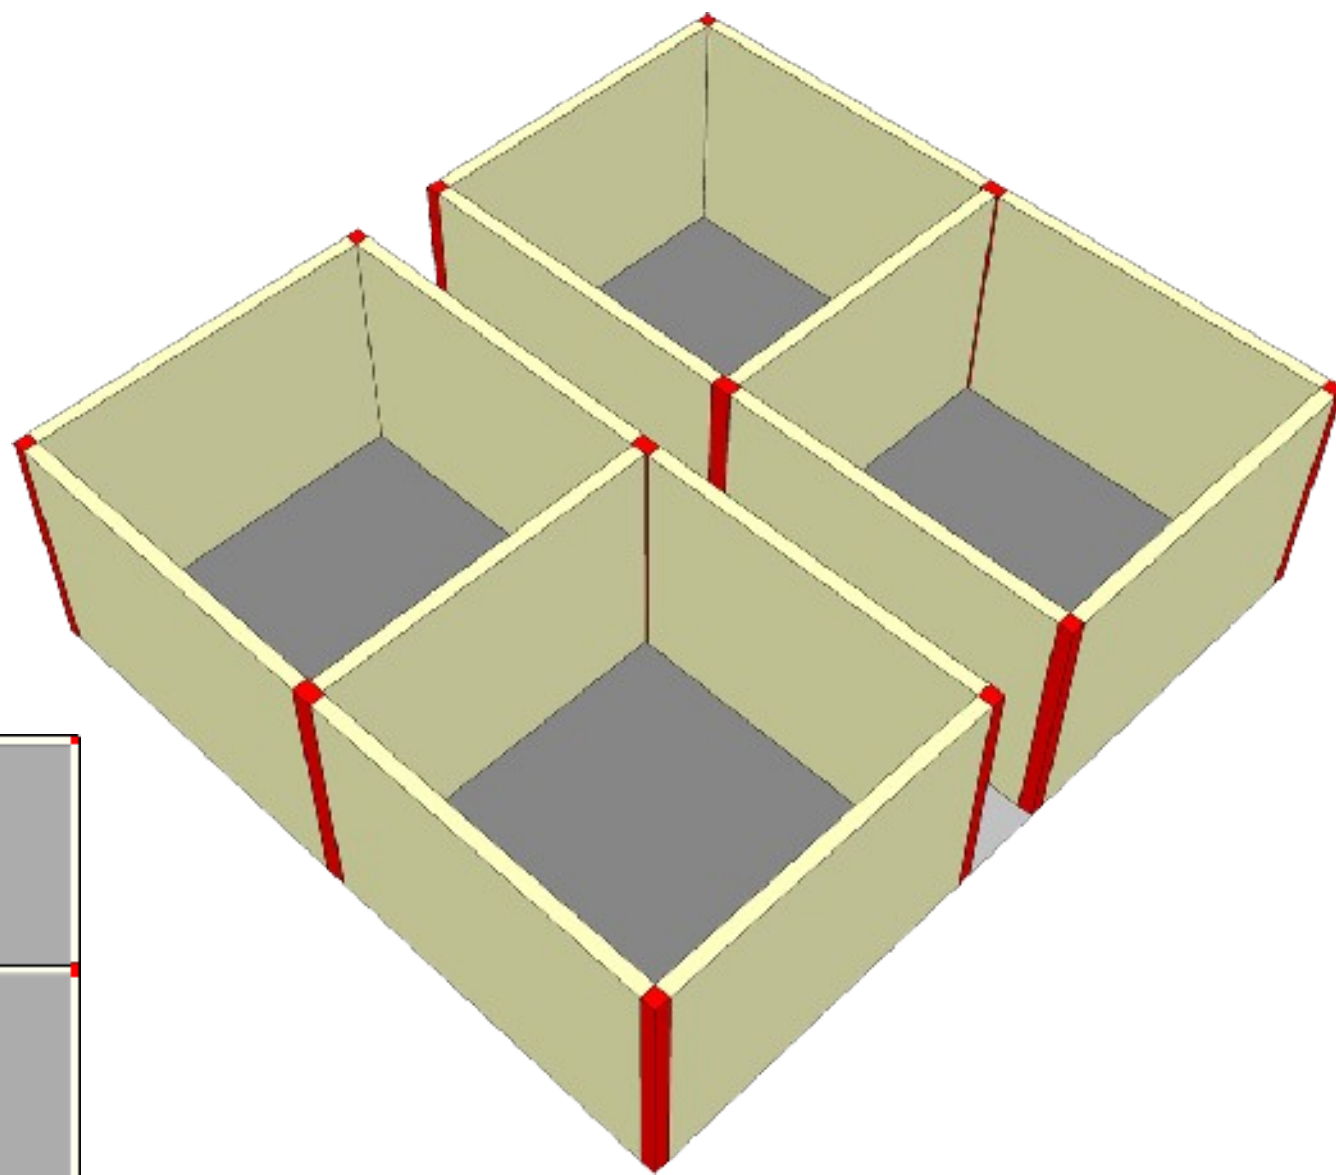

- Flexibility of structure
- Flexibility of walls
  
- Do we design one large space which offers a number of different uses
  
- or
  
- Do we design a series of different spaces

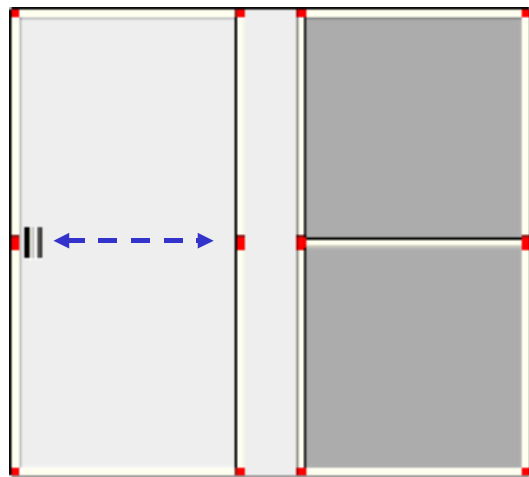

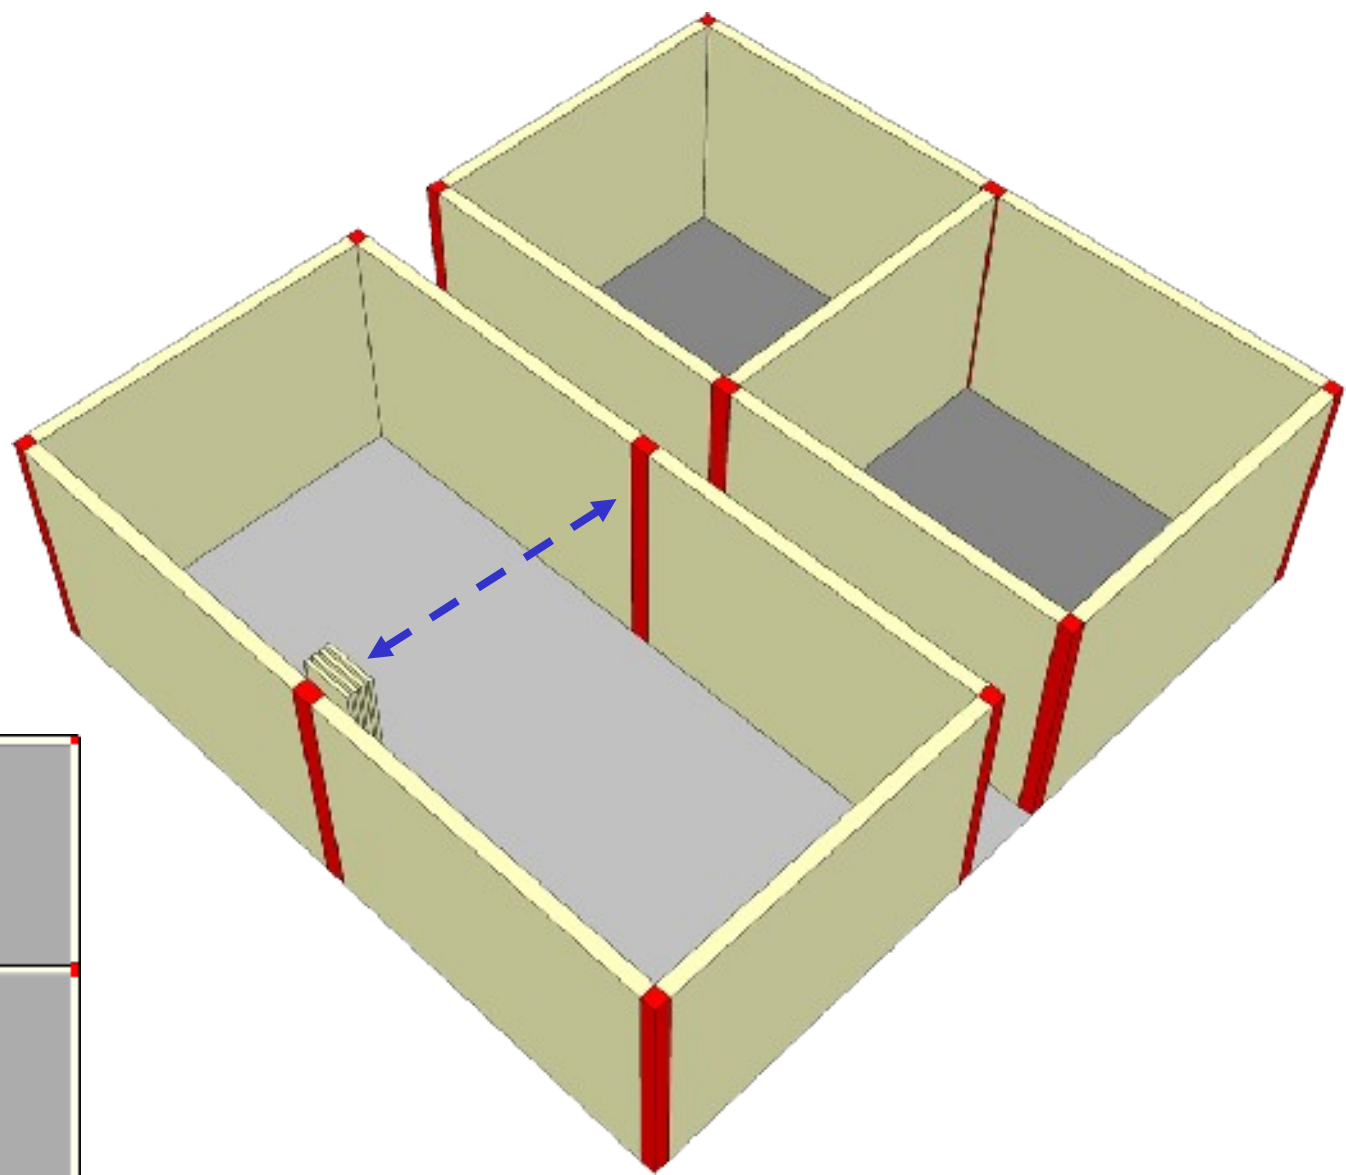

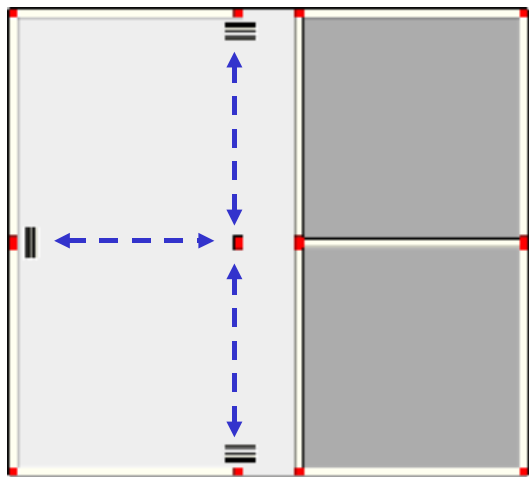

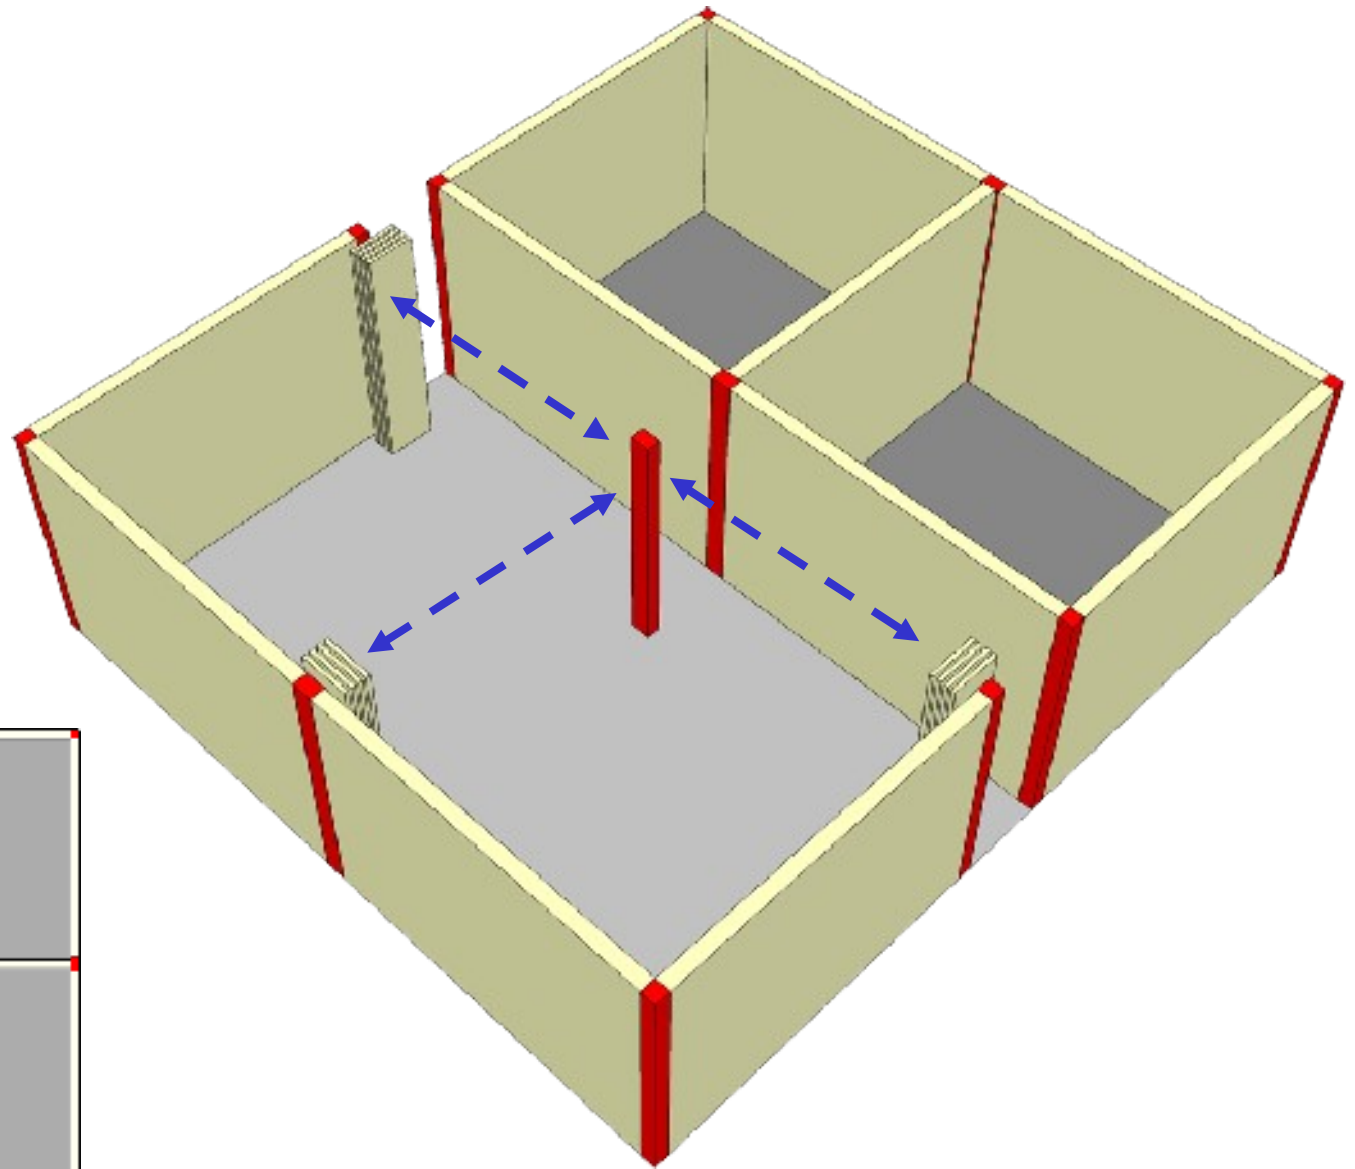

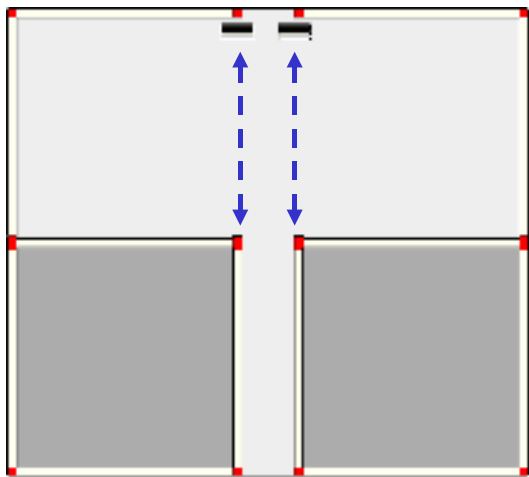

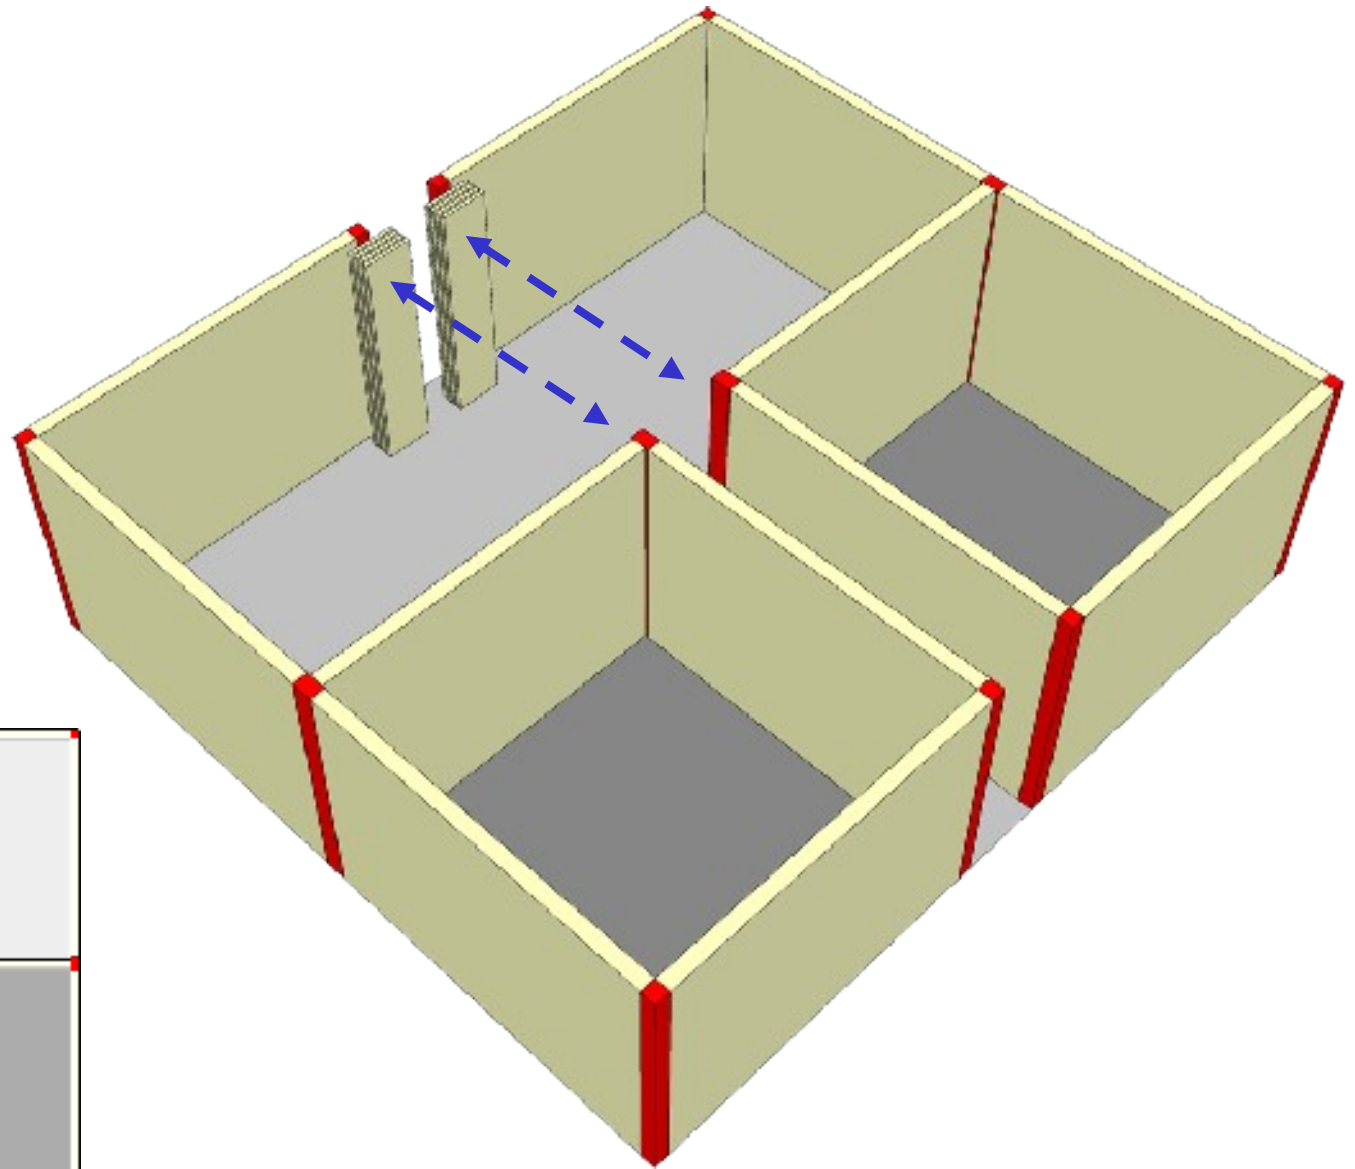

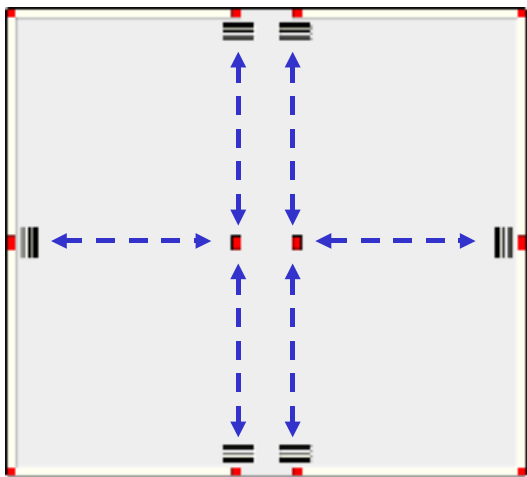

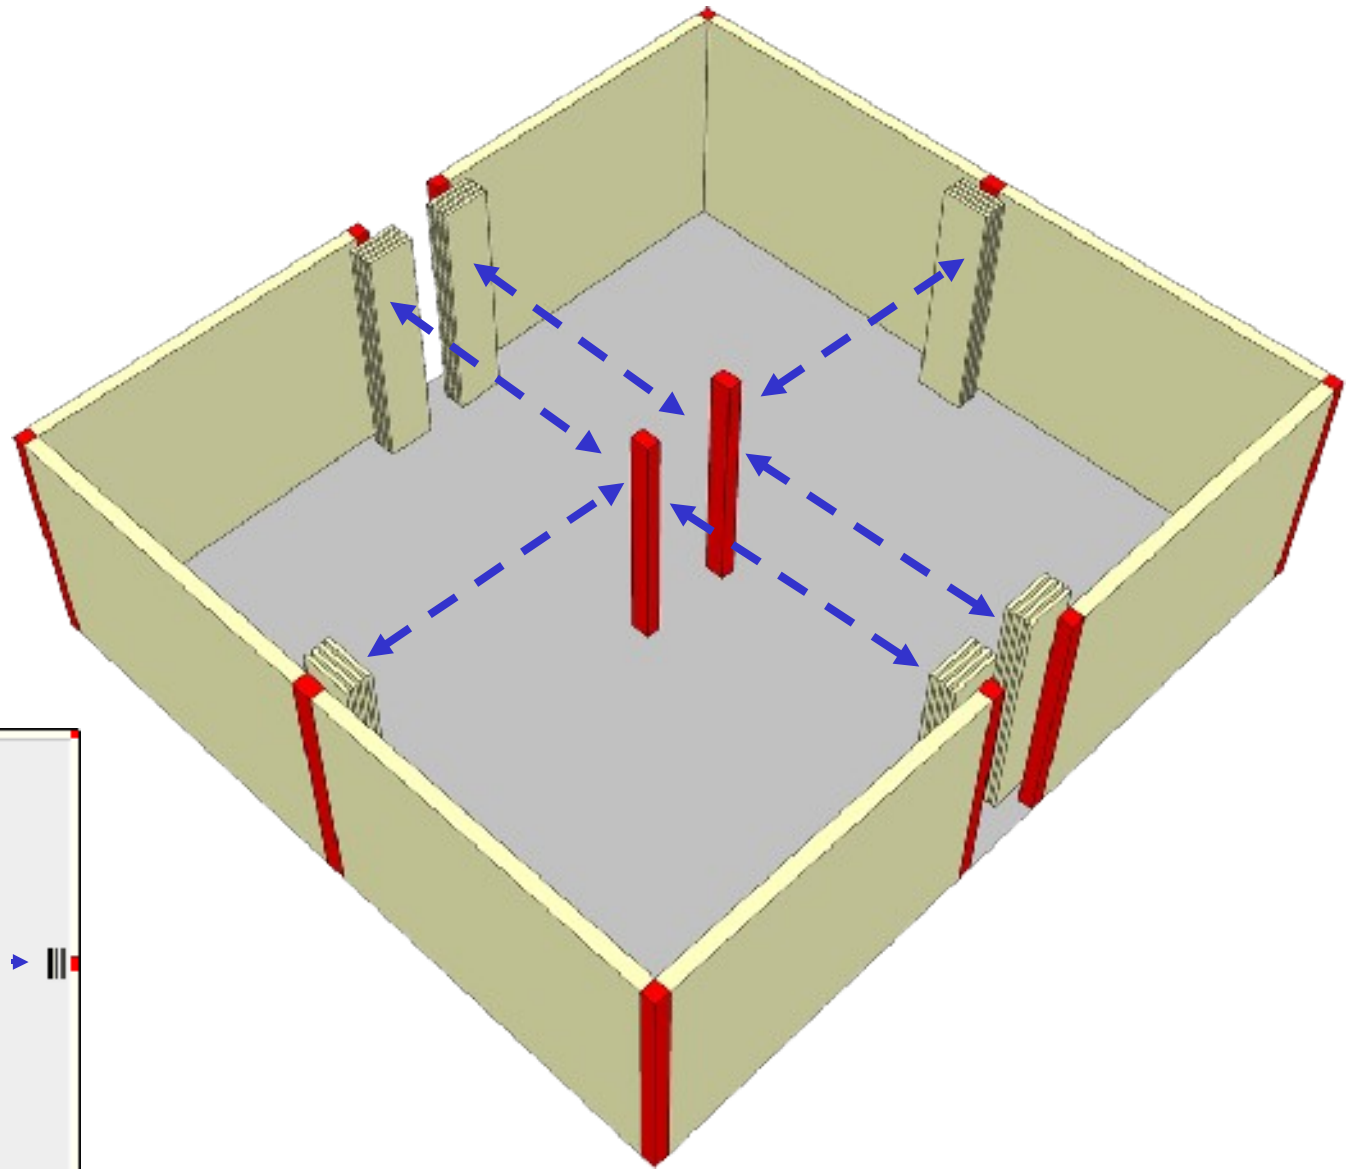

# MonoGlass
